

# GLASSILED

When LED inspires glass

The AGC logo is displayed in a bold, blue, sans-serif font. The letter 'G' is stylized with a small red square at its top right corner.

Your Dreams, Our Challenge

## AGC Glass Europe presents...

# ...A unique combination of light and transparency

## GLASSILED FOR EVERY NEED

Facade branding (Sign, Motion, Uni)	– 06
Facade display (Motion)	– 09
Decorative (Sign, Uni)	– 10

# Light up your projects

## GLASSILED

Now you can harness the LEDs<sup>1</sup> embedded inside Glassiled to open up whole new dimensions for your creativity. Whether you want to brand, animate a building facade or create an original interior design, Glassiled offers you the best innovative glazing solutions.

Enjoy light, colour and transparency with Glassiled Sign, Motion and Uni!

### Three Glassiled key benefits

- High transparency
- No facade obstruction
- Uniform effect over several floors (as well vision as spandrel areas)

### Three Glassiled products

Glassiled Sign	<ul style="list-style-type: none"> <li>→ Laminated glass or double glazing unit</li> <li>→ Embedded monochrome LED</li> <li>→ Permanent design with limited animation</li> </ul>
Glassiled Motion	<ul style="list-style-type: none"> <li>→ Double glazing unit</li> <li>→ Embedded individually addressable monochrome or RGB LEDs</li> <li>→ Any animated content can be displayed on your building</li> </ul>
Glassiled Uni	<ul style="list-style-type: none"> <li>→ Double glazing unit</li> <li>→ LEDs concealed in the IGU spacer light up the glass surface uniformly</li> <li>→ Monochrome or RGB</li> <li>→ Static or dynamic</li> </ul>

### Three Glassiled applications

	What can you use it for?	Be inspired...	Product available
Facade Branding	Signature Information Art	Make your building recognisable and alive	Sign Uni Motion
